DO YOU KNOW

1. Eyes can be donated only after death. Eyes are too precious to be buried or burnt.
2. Eyes can be collected at Hospital, Residence, and Mortuary or at the place of death. An estimated 30 lakhs corneal blind are waiting for somebody to donate eyes.
3. One pair of eye can give vision to two corneal blind individuals.
4. Eyes should be donated within 6 hours after death.
5. Removal of eyes takes only 20 minutes and does not disfigure the face.
6. Eyes are collected / distributed free of cost.
7. Our enucleating team will reach the place of deceased within 30-40 minutes.
8. We collect eyes only in Bangalore City metropolitan limits.
9. Our eye bank works 24 hours all through 365 days.
10. If you come across the death, please appeal to the bereaved family and gently explain and motivate the family to donate eyes. Call the eye bank to send a Grief Counselor to motivate the family.

WHEN YOU COME ACROSS DEATH PLEASE

1. Close the eyes
2. Put a polythene cover with few ice cubes on forehead
3. Inform to Dr. Rajkumar Eye Bank Immediately.
4. 4. Raise the head with pillow and put off the fan
